UUCSW Service Project

Social Justice FAMILY Event –
When – Sunday October 6, 12:00 – 12:30 PM
Where – In our very own church kitchen.
What – Pack meals. We will be packing meals for people in a homeless shelter in Worcester. There will be jobs for all ages. We deliver 100 meals on Sunday and they are handed out the next two days. The shelter does NOT provide lunches so this is a big help for people.

Today’s Green Sheet is devoted to Climate Change

First off, something you can do right here in Westborough:
Sustainable Westborough, a citizen group set up by the Board of Selectmen, will introduce a warrant article at the Fall Town Meeting in October to do just that. The proposal will be to have Westborough consider climate change in all appropriate planning, to prepare Westborough for the effects of climate change and most importantly to have the town develop a comprehensive climate action plan for our path toward 100% renewable energy.

Today seven states and over 100 cities have made commitments for 100% renewable energy and more than 1 in 4 Americans now live in such places. Sustainable Westborough will be asking the town to join that leading group by voting for this warrant article on Oct 19th. Please tell everyone you know and urge them to come and vote for this proposal at our Fall Town Meeting.
