Social Justice Action

“Don’t ask what the world needs. Ask what makes you come alive, and go do it. Because what the world needs is people who have come alive.” — Howard Thurman

If you have something YOU are passionate about, please tell us so we can spread the word.

UUCSW Service Project

Social Justice FAMILY Event – THIS SUNDAY
When – Sunday October 6, 12:00 – 12:30 PM
Where – In our very own church kitchen.
What – Pack meals. We will be packing meals for people in a homeless shelter in Worcester. There will be jobs for all ages. We deliver 100 meals on Sunday and they are handed out the next two days. The shelter does NOT provide lunches so this is a big help for people.

Climate News:

Westborough people: remember to come to the Fall town meeting at 7 pm on Oct 21 to support Sustainable Westborough’s proposal for the town to create a Climate Action Plan to help guide local decisions toward 100% renewable energy, and other sustainable practices.

Other UUCSW Social Justice News

The Board is working on a proposal to “Share The Plate” as part of the Sunday offering. The offering would be shared between UUCSW and a Social Cause. Talk with a Board Member with your thoughts on this topic.

Our speaker last Sunday, Muriel Kramer, is involved with the Mass Bail Fund https://www.MassBailFund.org/. If you might be interested in getting involved in this, perhaps by shadowing Muriel as she bails people out of prison, let Jerry know.

What do you think about the idea of asking people to take out their phones at the end of a Sunday service, and calling their state rep and senator about a Social Justice issue? Script and phone numbers would be provided.

Kim Hall is floating the idea of a book discussion around one of the books mentioned by Muriel last Sunday. Please contact Kim with thoughts and help.

What a concept!

Something you can do in the next week:
A number of us went to the Worcester Youth Climate Strike rallies, now what?? Here’s a webinar that might generate ideas for how to focus on-going actions: 7 pm webinar on 10/16 (W). More info here → Climate Webinar
